James M. P. Coleman III at the North Carolina home of his cousin K.D. Kennedy Jr. while researching this book.

From England to Virginia in 1637 and then down the Great Wagon Trail to North Carolina in 1778

“Family genealogical histories can range from fanciful collections of myth and supposition to detailed works of historic research. James M Coleman’s book, *The Coleman Family of Warren County, North Carolina*, is clearly in the latter category.” -

Robert P. Winthrop, AIA, author of Architecture in Downtown Richmond.
