**James M. P. Coleman III**

**From England to Virginia in 1637 and then down the  
Great Wagon Trail to North Carolina in 1778**

“Family genealogical histories can range from fanciful collections of myth and supposition to detailed works of historic research. James M Coleman’s previous book, *The Coleman Family of Warren County, North Carolina*, is clearly in the latter category.” -

*Robert P. Winthrop, AIA, author of  
Architecture in Downtown Richmond.*
